The #desafiosWSC

WHY ?

In view of the current pandemic circumstances, we observed, with some concern, the worsening of problems associated with physical inactivity and social isolation. Thus, the will to challenge our participants was born, and to break this negative cycle.

HOW ?

Through an online competition of physical challenges, played between teams, with a dynamic that will stimulate the interaction (even if virtual) of its elements, fulfilling all the indications of the health authorities.

Competition Format

1 One Single Phase

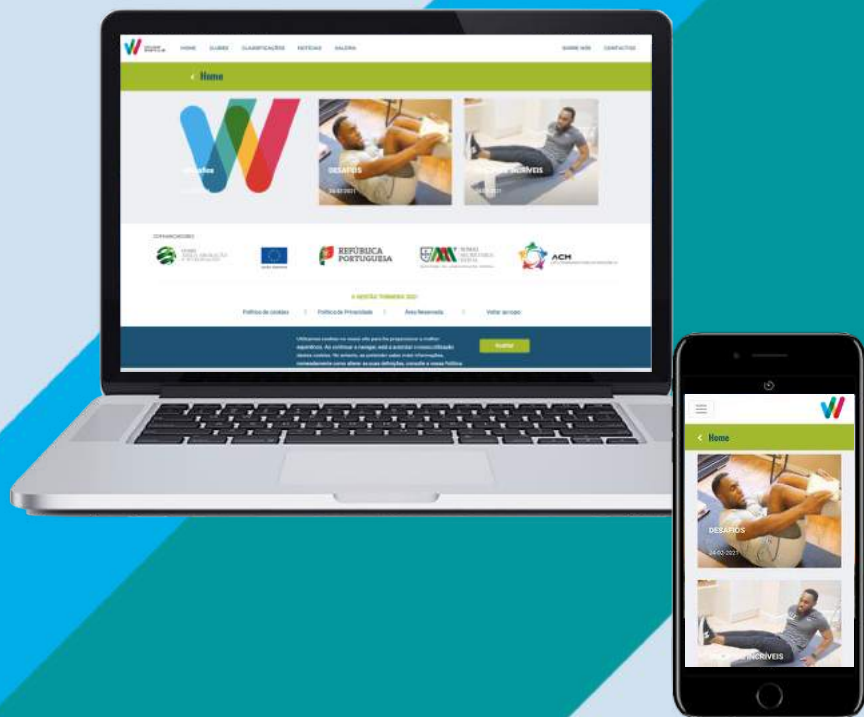

The #desafiosWSC are composed of a single competitive phase.

7 Weeks

The duration of #desafiosWSC will be 7 weeks, since the launch of the 1st challenge.
